The minutes of the May 2, 2016 minutes were distributed and approved as corrected.

End of Summer Barbeque: Will be held August 27<sup>th</sup>. Jesse and Valentina DeLuna have agreed to take the lead on making it happen. They have the notes from last year's event. Jodi will make additional contacts to request assistance.

Pastoral Council Retreat: Scheduled for August 13<sup>th</sup> – information to follow

Church Renovation Committee: Carl Such will lead this committee. Created to watch over the contractors and respond to issues discussed at the previous Council meeting. The committee will consider the issues regarding possible changes and will recommend what should be done to Father Donahue and the Finance Committee to ensure contracted amounts are within the parish budget. The Renovation Committee will receive and consider the input of the parish members. They have located an architect who designs churches and how can give advice on the interior design.

The committee will respond to concerns regarding the repairs needed, making sure there are no lingering necessary repairs. They have requested and received a bid from a structural engineer who did the inspections of the schools. We want to ensure the building is in good structural condition.

The roof inspection has been completed. The first repair will be the roof. Second will be the interior repairs. The possible interior changes will be separated out for financial discussion.

Jodi will discuss the Committee and its goals after all the Masses the weekend of June 25/26 and invite parishioners to a Parish Community Meeting to elicit parish input.

Mark and the Pastoral Council as a whole commend Carl on a job well done so far. He has put in numerous hours and is steering the committee in the right direction.

Pastor's Report: Father Donahue is very pleased with Carl and his team on the Renovation Committee. Everything is moving along nicely. We are getting closer to his preferred mode of having good committees in place where he can remain in the background and focus his time and efforts on his Pastoral duties to the parish. He is very pleased.

The end of the fiscal year is June 30<sup>th</sup>. The finance committee will meet in August and gather the information together to prepare an end of the year finance report.

Father stressed that the Bishop is in no way involved or pushing him in any particular direction. He is open to the local parish creating the plan for the renovations.

Carl noted that although the Renovation Committee meetings are closed due to the confidentiality of contracts and bids, the minutes of the meetings will be open to the public. He will lead the Community Parish Meeting with Mark, Wendy Biale and the architect to elicit feedback and respond to concerns.

Jodi Leveque led the attendees in a closing prayer.

Meeting was adjourned.

Next Pastoral Council Meeting: Monday, June 13, 2016 at 7:00 pm.
