The minutes of the January 9th, 2017 meeting were approved (with the correction of the word alterations in Theology of the Barrel to Altarations)

Church Renovation Committee: Carl Such presented a report on the project status (attached)

Roof Repair- major roof leaks successfully repaired, gutters and downspout installation in progress

Exterior Repairs- nearly completed, building color palette has been selected and the mosaic crucifix above entrance has been removed for repair

Renovation budget- there is \$3667 left of the \$450,000 roof and exterior repair budget. The need for a capital campaign still remains for the balance of the renovation of the interior of the church

**Meager Meals:** The Pastoral Council has been asked to participate again this year in supplying 5-6 soups for Meager Meals during Lent. March 10<sup>th</sup> was agreed upon, but has been changed to March 31<sup>st</sup> due to availability and the following members have offered to deliver a hot, homemade soup to the parish hall kitchen, between 5:30-6pm, and to stay and serve if possible: Dan Capponi, Carl Such, Jodi Leveque, Lyn Gagetta, Dominic Figueroa and Gerry Cruz.

**Live Stations of the Cross:** Will be held on Good Friday, 4/14 at 6pm and Father David has offered to lead the pilgrimage. There is a need for readers, sign holders, participants and help with clothing and singing. Anyone interested in participating can contact Sara DeCrevel for details.

**St. A's Website:** Lyn Gagetta challenged the Council to explore the new website and report back on something new learned to continue to drive traffic to the site.

**Ministry Faire:** The proposed date for the Ministry Faire is Sept. 10 or 17 (committee will confirm with Parish Calendar) in conjunction with a Hospitality Sunday.

Once the date is firm it will be placed in the bulletin and with Sara DeCrevel for the website
