

TRINITY SUNDAY 2022.
THE MYSTERY OF LOVE:

Life is full of human mystery, we find that not only can we not understand those around us, we cannot understand ourselves either! This explains how very limited in understanding and scope we truly are.

Today we are faced with one of the greatest mysteries of our faith, **The Mystery of the HOLY TRINITY**. This mystery cannot be understood by mere **human intelligence but only through faith**.

Many scientists, theologians, and philosophers have attempted to solve the Mystery of the Holy Trinity but only end up creating more havoc and darkness. It is not a mystery to be **solved, but rather a mystery to be celebrated**.

Our Catholic Church is fully a **trinitarian formula**...we **invoke the Trinity at the beginning and end of all celebrations and Mass**. Our Mass begins ***“In the name of the father, son, and the Holy Spirit” ...Our Mass ends with the words, “May almighty God Bless you, Father, Son, and the Holy Spirit.”*** All the sacraments follow the same pattern.

The most important element for us today is not focusing on scientific investigations or theological findings and answers, but rather focusing on ***HOW we personally relate to the unity of the Trinity (Trinitarian), which is based upon UNITY AND LOVE.***

How can we be part of the Holy Trinity and establish a place in the relationship?

****I and the father are one, all that the father has is mine because I have already told you the Spirit will take what is mine and make it known to you (Jn.16:15).***

****I have many things to tell you but you cannot bear them now but when the Spirit comes, He will guide you into the whole truth (Jn.16:12).***

God the father is the creator, God the son the Savior and redeemer, and God the Holy Spirit is the helper.

Today is an invitation for us to unite ourselves with the Trinity in that bond of Love and become part of the three in one:

1-God the father the creator

2-God the son the redeemer

3-God the Holy Spirit who enlightens, guides, directs, and touches us with Grace to console and counsel that we may love each other and pass this love to the world.

How are you going to transmit this love of the Trinity? **All of us have a duty and responsibility and are called to do so...This is our mission.** The Spirit reveals to us that God is **love, and that God is compassionate, tender, rich in Mercy, slow to anger, and abounding in love.** He is God not high up in the sky **BUT** Emmanuel, "God with us" in all circumstances and situations through the person of Jesus Christ and the Holy Spirit **ONE GOD IN THREE PERSONS.**

He wants us to **share that love (full of goodness and light) in our suffering cruel world (full of evil and darkness)**. A world where children are **killing** one another (as in Texas), where **gunmen are storming churches and shooting dead more than 50 people including innocent** children (as in Nigeria), where nations are **attacking** each other (as in **Russia**), and where **politicians are causing and stirring tribal hatred in Kenya due to pending elections in August of this year.**

We **plead, request, and command that human life MUST BE RESPECTED AT ALL STAGES OF LIFE FROM CONCEPTION TO NATURAL DEATH,**
IN THE NAME OF THE FATHER, SON, AND THE HOLY SPIRIT!.
