FAITH FORMATION

RELIGIOUS EDUCATION PROGRAM

Our St. Apollinaris Religious Education Program provides preparation for sacraments and assists parish families with their child/ren's faith formation. Our program is designed to support the parents of baptized children who are not attending Catholic school (or who are new to Catholic school and in need of classes for Sacrament Preparation).

First Holy Communion Preparation

Our two year First Holy Communion program is for children who are in at least 1st grade. Preparation lasts two years and children receive the sacraments of First Reconciliation and First Holy Communion in the second year of the program.

Continuing Education Program

Our Continuing Education program is for children in 3-5th grade that have already made their First Holy Communion.

Confirmation Preparation

To enroll in the 1st year of the Confirmation program children must be in at least 6th grade. Preparation for Confirmation lasts two years and children receive the sacrament of Confirmation in the second year of the program. Anyone over the age of 18 enrolls in our St. Apollinaris Adult Confirmation Program.

All Preparation Classes require attendance for two (2) consecutive years to receive sacraments.

REGISTRATION FOR INCOMING FIRST HOLY COMMUNION AND CONFIRMATION STUDENTS WILL OPEN AUGUST 1ST.

Please reach out to our director, Mrs. Christine Walsh, if you have additional questions at 707-255-7200 or dre@stasparish.org

APRIL
Is Child Abuse
Prevention Month

Did you know...Child abuse can occur in every culture and every socio-economic demographic. Peer reviewed research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home. You can protect children by respecting the established safe environment protocols. More importantly, you can implement many of these protocols in your home and be ever observant and vigilant in all public and private settings.
