WORLD MISSION SUNDAY

As we approach World Mission Sunday on October 20th, it's important to remember the legacy of missionary work. The Church in the United States was once mission territory, supported by the generosity of Catholics worldwide. Today, we continue this legacy by supporting the Pontifical Mission Societies, ensuring that the Gospel reaches the ends of the earth. Our contributions help build and sustain communities of faith in places where the Church is still growing or facing persecution. This mission is a testament to our faith in action, reflecting the universal call to share Christ's love. As we reflect on this year's theme, "Go and invite everyone to the banquet," let us recommit to supporting our global Church family.

MASS COUNT

During the month of October, the diocese asks each parish to take a count of the number of people who attend mass. The ushers will be taking the count during mass.

PRAYER FOR CIVILITY

Make Me an Instrument of Your Peace

Lord, make me an instrument of your peace.
Where uncivil words prevail, show me how to
model love. Help me remember the God-given
dignity of all and invite others to do the same.
Show me how to build bridges and not walls
and see first what unites us rather than how we
diverge. Let me seek to understand before
asking to be understood. Give me a
listening heart filled with empathy and
compassion. May I be clear in sharing my own
position and respectful and civil in describing
those of others. Let me never tolerate hateful
ideas. May I invite all to charity and love. Lord,
help me to imitate your compassion and mercy.
Make me an instrument of your peace. Amen.

Guest Speaker Former

Abortionist Dr. John Bruchalski

Hear the conversion story of
abortionist to pro-life doctor. Dr. Bruchalski
experienced a profound conversion of heart
following a live birth during a late-term abortion
procedure and then visiting a pilgrimage site
where he said the spiritual scales came off his
eyes. He knew he had to stop committing
abortions and resolved to practice life-affirming
medicine that supported women, children, and
their families. As he explains it, "I came to see
that true health care for women is not about
rights, but relationships—not about limits, but
about love and mercy."
