

FR.TK.REFLECTIONS 4th Sunday year-A-2026:

TEACHING FROM THE MOUNTAIN:

Mountain always provide beautiful clear sight,some people do mountain climbing for exercise,adventure and some for reflections on their own without distraction.Jesus in the gospel today(Mat 5:1-12)is **inviting us for some mountain climbing**.He begins the sermon on the Mount by **beatitudes**,we are today invited to capture the meaning of these teaching.**Blessed are poor in spirit! These are people who realize their spiritual poverty and the need for God because they are open to the riches of Gods Kingdom**,they know they are not **self sufficient** and that the **soul doesn't nourish itself hence need for God**.**Blessed are those who mourn**,those who grief over sin in their life and in the world,they shall be consoled and know the joy and renewal of forgiveness.**Blessed are the meek,the humble,know the truth about themselves they shall inherit the land,the spiritual possession**.

Blessed are those who hunger and thirsty for holiness,they are not pursuing a dream because in Christ their yearning will be fulfilled.**Blessed are those who show mercy**,those who doesn't **only read and pray for mercy but those who shows mercy** they can be sure of Gods mercy towards themselves.**Blessed are clean of heart those whose motives are clear and Christian** they shall see God in the same clarity.**Blessed are the peace makers**,those who bring people together,they are doing Gods work.they will be called sons and daughters of God.obviously through these beatitude,Christ enlarges our vision of our world.

Jesus includes his teaching in form of sermon, because in his time just as it in our presence situations, there are so much **corruption, corrupt judges, policemen, politicians, clergy, murders, quarrels, embezzlement, disloyal people**, all these forms the teachings of Christ this Sunday and always. Jesus climbs the mountain and takes us with him, are you going to follow his teaching? There is real need for God in our troubled world. we must be those people with **mercy, compassion humble and peacemakers motivated by the gospel and see the need for God in the world of today.** The beatitude are **promises of Gods presence in us and where salvation comes from.** we are blessed where Gods is present. In them we too **see where the kingdom of Gods is at work in us and gives us hope for spiritual powers and grace.** They are important teaching if we could **empress them** and put them into practice. ***LET US ACCOMPANY OUR LORD IN THE MOUNTAIN.***
