

FR.TK.REFLECTIONS 3rd SUNDAY OF EASTER 2026.

THE ROAD TO EMMAUS:

The two disciples were going home to EMMAUS from Jerusalem. They have just experienced **the death of Jesus and collapse of their dreams were all shattered. He is dead and buried the dream is finished, they are disappointed people, their expectations not met they had hit the wall.** Their **faith is shattered** they have wasted their three years on a false messiah this is the feeling they had, no wonder they were down cast even to talk to this stranger on the road. The stranger had a lot of time and joined them. It is Jesus but they didn't recognize him.

The stranger took time and explained to them in **depth and gently on how the messiah had to suffer and die.** They invited him to **stay with them as the night draw** he makes sense of everything, he is a good teacher.

They sit for an evening meal, in the course of the meal Jesus does something familiar, he **took the bread, said the Blessings, broke it and gave it to them as he had done before, they recognized their stranger in the breaking of the bread, it is their Jesus!**

The funny thing is that the two followers of Christ don't appear anywhere in the gospel. We don't hear about them either before or after this incident. Obviously there are millions of the people whom the Lord **is just as close to and near to. Jesus appears to them on an ordinary road ,The risen Lord can join us wherever we are** we don't have to be in great spiritual centre, cathedral or big churches. He can be **part of our life wherever we are, any point of life as a child, youth, parents or senior citizen.** In whatever

profession we are in,**in doubt,in grief,in joy,in worry Christ is there.**we come to Christ as in-reflection **of the scripture and mostly in the Breaking of the bread.***Do this in memory of me.wherever you are in,whatever you do the Risen Lord is there.*

LET US WELCOME HIM ALWAYS IN ALL THE ENVIRONMENT WE ARE IN THE RISEN LORD IS THERE.
