

## **FR.TK.REFLECTIONS EASTER SUNDAY YEAR-A- 2026:**

### **THE ROLLED STONE:**

The rolled stone, **the stone was rolled away** tells the whole story of resurrection. There is such details in this gospel reading that goes to the very heart of Easter. They came to the tomb and the stone was rolled away.

The Resurrection means that the huge stone that **separated the human race from God was rolled away.**

The stone that stood like wall between humanity and God was rolled away and **now in Jesus Christ the way to the father is once again wide open.** Jesus pulled the curtain and flood the **room with Gods light now eternal lights and eternal happiness are possible for all of us.**

Still there is darkness from our side as human beings which darkness the Easter. There is no doubt about Christs resurrection but for you and me the doubt is **whether we can change to this new life like the apostles!, can we become new creation and being filled with the Holy Spirit? Can we rise in new life in him? We might feel the huge stone is too massive and huge.** Can the God of Genesis who speared **darkness from light make me new creation and give me new life?** The resurrection says yes if God created universe, he can re-create me.

Can the God of Exodus who delivered Israelites from bondage deliver **me from bondage of sin?** The resurrection of Christ says yes he can free you and me. Due to resurrection we can experience Genesis and exodus in us. we need to have **faith which can dispel**

**the darkness.**we need to dispel the darkness in our heart and in our world which creates **dishonesty,terrible deeds,evil thoughts,divisive abusive immoral and sinful action.**

We will discover the risen lordkya in the church through Sacraments and works of Mercy.let's be people of resurrection.

HAPPY EASTER TO YOU AND YOUR FAMILY.
